Thanks, Jim. I certainly understand the difficulty of trying to coordinate schedules with summer winding down. Let me know when you want to have a call.

Tom,

We are currently reviewing the MOU. We have several staff involved in this project who are just returning or have just left for vacation, so it's challenging to get the needed input. I am hoping to have enough input by late today so we can schedule a joint EPA/DNR meeting in the next day or two.

Jim: Did you and your staff get a chance to look at the edited draft MOU? When would you like to talk about WDNR/EPA comments?

Jim:

Please see the attached document for your review. I've added comments into AGC's draft MOU to identify WDNR's and EPA's mutual concerns in what I think are the most appropriate paragraphs. I propose that we have a call Monday morning to talk about the comments. In addition, we should talk about paragraph B.4. (AGC shall have no legal, financial, contractual or other obligation . . . ). Please let me know if/when you are available.

Thanks

Tom
